Product Description

Analog Display Leather Strap Wrist Watch - Black Color - 3 ATM Water Resistance

Product Description:

Our leather wristband watch is designed with a timeless and classic style that never goes out of fashion. This wrist watch is crafted with a leather strap that is 20mm in width and 200mm in length, paired with a 40mm case diameter. The movement of the watch is quartz, making it highly accurate and reliable. Moreover, its 3 ATM water resistance ensures that it can withstand normal water immersion for everyday use. If you are looking for a timeless and reliable wrist watch with leather strap, this is the perfect choice for you.

Features:

Product Name: Leather Strap Wrist Watch

Applications:

This Leather Strap Wrist Watch is an ideal accessory for any occasion. Its strap is made of genuine leather, which is comfortable to wear and long lasting. The case diameter measures 40mm and it weighs only 50g, making it a lightweight and stylish timepiece. The white dial and analog display add to its classic design, allowing you to look stylish and fashionable no matter the occasion. It is perfect for everyday wear, special occasions, and even formal events. Whether you're looking for a timeless accessory or a modern timepiece, this Leather Strap Wrist Watch is the perfect choice. Its leather bracelet and wristband make it a stylish and comfortable choice for any wrist.

Customization:

Leather Strap Wristwatch is a stylish and fashionable accessory that will add a touch of charm to any outfit. It features a black leather strap, stainless steel case, 10mm case thickness, and a white dial. The black leather strap is made of genuine leather, giving it a soft and durable feel. The stainless steel case provides a sturdy and long-lasting housing for the watch, while the 10mm case thickness adds a modern and stylish look. The white dial is easy to read and adds a touch of elegance to the wristwatch. This leather bracelet wristwatch will make a perfect addition to any wardrobe.
